Come down, O Love divine, seek thou this soul of mine,
And visit it with thine own ardor glowing;
O Comforter, draw near, Within my heart appear,
And kindle it, thy holy flame bestowing.

O let it freely burn, Till earthly passions turn
To dust and ashes, in its heat consuming;
And let thy glorious light Shine ever on my sight,
And clothe me round, the while my path illuming.

Refrain: I ask you, **my friends, to be still**; and know that I am here with you!
The longing in your heart I will fill; for I now make my home in you!

The mountains, the valleys, the oceans deep sing praises and glory to you!
And all of creation joins in song; but man finds you within! *Refrain*

The crowds on the hill sides...need your Bread! The lame need your healing hand!
The blind and the dumb cry out for you; when will men understand? *Refrain*

We’ve worked all the day, Lord, hear our prayers! Our hearts laboured long for you!
But now we’ve returned and you know our need; to spend some time with you! *Refrain*

Now thank we all our God, with heart, and hands, and voices.
Who wondrous things hath done, in whom his world rejoices;
Who from our mother’s arms hath blessed us on our way
With countless gifts of love, and still is ours today.

All praise and thanks to God, the Father now be given.
The Son and Spirit blest, who reigns in highest heaven.
Eternal Triune God, whom earth and heav’n adore.
For thus it was, is now, and shall be evermore.
